Wasinger Media House GmbH - the whole audiovisual world under one roof.

WMH sees itself as a full-service provider and stands for know-how, competence and quality in the areas of video, photography and live streaming. Whether live broadcasts of hybrid events or event videos and photos of conferences, presentations and meetings - we support companies with professional audiovisual services.

Proximity to our customers is a top priority for us. Our well-coordinated team and highly qualified permanent staff guarantee maximum reliability and flexibility. We are there for you.

MODALITIES

Reservation

Your reservation will remain provisional until we receive a definite booking from you. Up to this point no annulation costs will arise. We will contact you if other rental inquiries are available in the meantime. Reservations are considered in the order in which they were received.

Your contact: Administration Services Technopark Winterthur
+41 58 934 75 30 • info@tpw.ch

Use reserve

We offer our infrastructure to all organizers who promote innovation and entrepreneurship. If the organizer is a political, religious or ideological group, Technopark Winterthur may declare the concluded contract as ineffective and oblige the organizer to pay the cancellation costs.

Cancellation costs

Cancellation of a definitely booked event will result in a fee, regardless of the reason for the withdrawal:

- definite reservation: 20% of the room costs
- 30 days before the event: 40% of the room costs
- 20 days before the event: 60% of the room costs
- 10 days before the event: 80% of the room costs
- 3 days before the event: 100% of the room costs

Deposit

For reservations, Technopark Winterthur can demand a deposit of at least 20% of the fixed costs. The balance will be charged after the event, payable net within 30 days.

Prices

VAT (VAT No. CHE 101.325.563) is not included in the prices. Price changes regarding space, infrastructure and services may occur.

Security

The organizer is responsible to ensure that only people indicated in the documentation of Technopark Winterthur are admitted. Safety, fire and operational requirements are to be met at all times, especially when setting up and dismantling facilities or installations. The organizer is liable for property damage and personal injury.

Authorizations

The organizer is responsible of all authorizations as well as the observance of copyright regulations (Suisa, pro Litteris etc.).

Parallel events

The infrastructure and the concept of Technopark Winterthur guarantee that possibly even competing events and exhibitions may be admitted at the same time. The organizer takes note of this.

Delivery

Please deliver items and materials on the day of the event. Technopark Winterthur rejects any responsibility for prematurely delivered or stored objects and materials from event organizers and third parties. We are happy to assist you on request in special situations.

Labeling

We gladly welcome your participants on our screens in the entrance halls with the name of your event and your logo for free.

Decoration / montages

Please ensure that no damage is caused to or around Technopark Winterthur. The application of labels, nails, adhesive materials, ropes and other fastenings is only permitted in consultation with Technopark Winterthur. Please remove any changes you made after the event. Any damage caused will be repaired at the expense of the organizer and charged to the renter.

Technology

The technical equipment included in the room rent can be operated by the organizers after a short instruction. If you would like to hire a technician, we recommend a specialist from our network. The costs of approximately CHF 120.- per hour will be charged to the organizer. For the consultation and rent of further technical equipment we will arrange a suitable company.

Various caretaker services

If you require intermediate cleaning, recuperation, assistance with assembly and disassembly, installation and dismantling work or other services, please let us know at least 10 days prior to the event. Charging takes place at an expense of CHF 65.- per hour.

Disposal

Technopark Winterthur values a professional and environmentally friendly disposal. After the event, the organizer is obliged to remove and dispose any posters, flip charts and hand notes, promotional items, course and conference documents as well as other materials.
